

Agency List for Workforce Vacancies  
Created for Industrial Fastener Institute Section II  
Southern California Companies  
As of: December 24, 2019

To fill a workforce vacancy for tasks that do not require prior training before hire, e.g., those on the attached list excluding Automatic Machines, call one of the agency contacts listed under your city name. The contact will also have the same list of jobs and associated unique abilities so all you need do is to identify the task. The contact will also be aware of the unique abilities distinction and how to speak business.

It is recommended that you invite the contact associated with your city to visit your facility in advance of a need so they have a better appreciation of the job and the environment and can be better prepared to serve you.

Please contact Ivan Rosenberg at the Uniquely Abled Project, [IRosenberg@UniquelyAbledProject.org](mailto:IRosenberg@UniquelyAbledProject.org), with any feedback, changes, and suggestions.
